What specifically is to be decided or presented? Why is a meeting needed?

The Rosemont Mine is a proposed open pit copper and molybdenum mine on over 3,500 acres of National Forest southeast of Tucson. The Forest Service led a multi-agency field site visit of the project area on April 21. The purpose of this briefing is to discuss the results of the site visit, provide an update on the interagency review process, and discuss potential next steps.
